No. DDE/SZ/2023/ 0/832

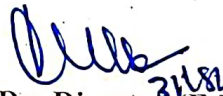

Dated: 31/05/2023

LETTER OF APPRECIATION

We appreciate the Science workshops organized by Ayaan Jamal, student of Class X, DPS, R.K. Puram, New Delhi for the children studying at the Municipal Corporation of Delhi, South Zone Schools in the Month of April, 2023

The demonstration based/interactive method of explaining the scientific concepts were very well received by the students. The inner curiosity in the child to observe, question and understand scientific principles was kindled in a very novel way.

I wish Ayaan Jamal and his social service endeavour through the science-based learning project "Little Lab" all success.

  
The Dy. Director (Education)  
South Zone  
Assistant Director of Education  
MCD Education Department  
South Zone Green Park
